Early Learner's Children's Academy

"Where the children of today are the promise of tomorrow."

A special note from our Director

Welcome to preschool! The start of the new school year is an exciting, joyful time as well as an anxious, apprehensive time for you and your child. Some children enter this new adventure without a backwards glance. Others need a helping hand. Smooth transitions are as important to us as they are to you, so if your child needs an extra hug and kiss, or needs a bit more time to say goodbye, please feel free to stay awhile and participate with your child. When the time comes for you to leave, we encourage you to firmly say "Goodbye" to your child and then, without hesitation, leave promptly. Lingered separations are difficult for all of us because of the lack of clarity and insecurity. Establishing a routine like waving and blowing kisses at the window helps. If you are finding separations difficult, please share your concerns with me and we will problem-solve together to establish a routine that works for you and your child. During the first weeks of school the focus will be on school routines and getting to know each other, every teacher encourage you to make a Family Collage and bring it to school to keep in your child's classroom. The children love to point out and share with their friends pictures of their families. We are a team, and good communication makes for a winning team! Please let us know about your child's morning, any changes in your child's life, your questions, concerns, etc. You can also email me at: mscheidt.elca@yahoo.com
